Grades PreK - 12 • Check your local TV listings to find the channel for your local PBS station.

Working with the [Pennsylvania Department of Education](#), we have created [Learning at Home](#), your connection to thousands of hours of educational and entertaining programs, videos, activities and games to support you.

Programming is aligned by grade bands, and color-coded by PBS KIDS Learning Goals (listed in the key to the right) so that you can easily find the program that's right for your child/student. The links underneath select programs provide access to supplemental learning materials related to the program (an internet connection is required to access the links).
