En colaboración con el [Departamento de Educación de Pensilvania](#), hemos creado "[Tu Vecindario para el Aprendizaje](#)", un recurso de apoyo didáctico para los estudiantes y sus familias que brinda miles de horas de programación, videos, actividades, eventos y juegos educativos y de entretenimiento, ya sea que se encuentre en su casa, en la escuela o en su comunidad.

Como parte de "[Tu Vecindario para el Aprendizaje](#)", las siete estaciones de PBS a nivel estatal (conocidas colectivamente como PBS de Pensilvania) cuentan con transmisiones al aire de programación educativa, con objeto de complementar las metas educacionales, sociales y de desarrollo del estudiante. La programación ha sido codificada por colores en "Las Metas de Aprendizaje" de PBS KIDS, con objeto de que usted pueda localizar fácilmente los programas adecuados para su hijo/estudiante, de acuerdo con su nivel de aprendizaje. También compartimos información sobre eventos y otros recursos para que su hijo y su familia, dondequiera que se encuentren dentro del "[Vecindario para el Aprendizaje](#)", puedan participar activamente.
