Teach Your Way

The world is full of possibilities and so are your students! Inspire their curiosity each day with the activities, printables, and videos below. Create “anytime” moments of playful learning with resources from pbslearningmedia.org, pbskids.org, and the **PBS KIDS Video app**.

THEME	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Light and Shadows	1 Light and Shadows SID THE SCIENCE KID Explore light, shadows and how to cope with being afraid of the dark.	2 	3 Light and Shadows Bingo PBS KIDS Build a school-to-home connection and share activity packets for <u>PreK-K</u> or <u>grades 1-2</u> .	4 Lights Out ROSIE'S RULES Learn how stormy weather can cause power outages- and what activities you can do without electricity!	5 Shadow Shapes Game Support your students as they observe how shadow changes in this interactive game from PEEP and the Big Wide World.	6 My Shadow & Me: Part 2 Take your students outside and observe how shadows change throughout the day.	7 You Time Take a walk outdoors listening to nature and the natural sounds in your environment.
Healthy Me	8 All About Me In this collection you'll find resources that focus on topics like facial features, body movement and height.	9 Hansel and Gretel: A Healthy Adventure SUPER WHY! Whyatt and his friends use their powers to learn about eating healthy foods.	10 My Bedtime DANIEL TIGER'S NEIGHBORHOOD Support children and families as they build bed time routines with this interactive game.	11 	12 Healthy Me Bingo PBS KIDS Build a school-to-home connection and share activity packets for <u>PreK-K</u> or <u>grades 1-2</u> .	13 Washing Because We Care SESAME STREET Sing along with friends from SESAME STREET as they practice ways to stay healthy.	14 You Time Has there been a fruit or vegetable you have wanted to try? Today's the day!
Celebrating Winter	15 Changing Seasons: Winter Learn about ice sculptures, why animals hibernate, and about animals who camouflage!	16 Animals in Winter: Part 1 Explore different ways animals prepare for winter. Then, students can make their own hibernation caves.	17 Winter Camouflage Watch the media to learn how some animals hide in nature. Then, use the lesson plan to explore camouflage.	18 Celebrating Winter Bingo PBS KIDS Build a school-to-home connection and share activity packets for <u>PreK-K</u> or <u>grades 1-2</u> .	19 Super Seasons Snapshot HERO ELEMENTARY Encourage your students to take pictures in different seasons with this fun game!	20 	21 You Time Visit a place in your community that is special to you.
Creative Problem-Solving	22 ALMA'S WAY Alma is a proud 6-year-old Puerto Rican girl who models how to think things through.	23 The Alphabet's Sad Day SUPER WHY! Pig is sad because he doesn't feel like he's helping. Find ways to cheer up Pig.	24 Creative Problem-Solving Bingo PBS KIDS Build a school-to-home connection and share activity packets for <u>PreK-K</u> or <u>grades 1-2</u> .	25 Oddstacle Course ODD SQUAD Encourage students to find ways to get through obstacles and fight villains.	26 	27 Think It Through ALMA'S WAY Share this "think it through" strategy to help students learn how to navigate challenges.	28 You Time Bring out your address book and scribe a postcard or email to someone you have been thinking of.
Working Together	29 City Island Support learning about civics, geography, and economics and explore City Island.	30 Helping Others Dot's Spot With the help of Del, Dot and Dee, learn vocabulary words related to helping others.	31 	1 When Rivals Came to Roost ARTHUR Engage students in discovering how to resolve conflicts.	2 Hide and Seek ELINOR WONDERS WHY Invite students to play along with Elinor and her friends to find animals hiding in nature.	3 That's Cooperation SESAME STREET Sing along with Big Bird as he reminds us of the importance of working together.	4 You Time Take time to make appointments for your self-care.
