

Getting Started: Go to wpsu.org/careers.

Grades PreK-5 Students:

1. Explore the "PA In-Demand Occupation List." What's one job you would share with your child on the list?

2. From the tabs under *Grades PreK-5: Building Career Ready Skills*, what is one career ready skill your child readily exhibits?

3. What is one career skill your child is developing?

4. Go through the skill tabs and select 3 activities you can do with your child over the next month.
 1. _____
 2. _____
 3. _____

Grades 6-12 Students:

1. Under *Pennsylvania Career Resources*, watch the "Apprenticeships" video. What is one thing that surprised you about apprenticeships?

2. Explore the *Grades 6-12: Industry Clusters* under *Pennsylvania Career Resources*. Select one cluster your child might be interested in and view the "Industry Salaries & Demand" fact sheet.

3. Select a job from the fact sheet to search on "PA CareerLink" in the *Pennsylvania Career Resources* section. What new information did you learn about that job?

4. Go to the *Pennsylvania Career Resources* section and explore "PA Career Ready Skills & Related Employability Skills". What is a career ready skill does your child exhibit from the three listed?

5. Go to the *Grade 6-12: Industry Clusters* section and explore the "Career Acquisition" tab. What are two resources you would share with your child about gaining and retaining a job?
 1. _____
 2. _____
